## Experience

### Freelance / Designer

Feb 2023 - Mar 2023

Bonney Lake, WA

Worked on individual projects from start to finish in the design process. Empathized, defined, ideated, prototyped, and tested with all of my designs along with building wireframes, mockups, extensive research.

### Compass / Realtor

Nov 2021 - Feb 2023

Bellevue, WA

Helped buyers purchase and sell residential real estate by negotiating price, contracts, assets, etc. Designed digital and physical advertisements for my real estate team on computer software to promote onto social media

### Target / Tech Team Lead

SEP 2020- NOV 2021

Bonney Lake, WA

Managed the tech department and watched over 10 other employees while making sure our department was running efficiently. Conducted audits, price checks, sales, inventory, and worked with companies like Nintendo, Sony, and Apple to design ads and floor plans.

### Jacks Shop / Designer

Sep 2018 - Jun 2021

Bonney Lake, WA

Ran an online Reverb shop where I designed and sold custom electric guitar parts. Advertised my shop with high quality photo production of my custom designed parts.

## Education

### Google UX Design

/ Certificate

Dec 2022 - March 2023

Completed rigorous training in UX Design for job readiness. 15 modules included topics like UX research fundamentals, inclusive design, lo-fi and hi-fi prototypes and tools like figma and Adobe Xd. Completed hands on projects from start to finish in the design process.

### Pierce College

/ Associates

Sep 2018 - Jun 2020

Attended Pierce Community College while in high school to get a head start on my education, by getting pre-requisite credits done while in high school. Attained 95 transferable credits and graduated high school and with my Associates degree.

## Achievements

- Honor Roll in high school/college
